

Village of Ruidoso Recycling Program

Village of Ruidoso Commercial Recycling Program

Commercial Recycling before Receiving Recycling Grant

- As of August 2009, we were servicing 108 commercial recycling containers and did not have any residential recycling containers.

Recycling Grant

- Received \$20,000.
 - Purchased 57 blue recyclable containers
- In-Kind \$ spent:
 - \$54,600 for annual personnel costs
 - \$50,000 for annual equipment costs, recycling stickers, bear locks, and public information.

Since Incorporating Recycling Throughout Residential Areas

- September 2009, began our residential recycling program, placing 57 blue, bear proof containers throughout the village.

Presently

Commercial & Residential

- As of June 2010, we are servicing a total of 177 recycling containers.

Deliver Recycling Materials to Green Tree Solid Waste Authority

Residential Area

1 of 57 recycling containers purchased with grant money.

Residential Area

The Village of Ruidoso purchased/designed bear locks and recycling stickers.
