

## Recycling Signage Request Form

NMRC is pleased to make available standardized recycling signage through the Department of Energy ARRA grant funds. Signage is available on a first-come, first-served basis to eligible communities and NMRC R3 Cooperative members until funding runs out. In order to distribute as many signs as possible around the state, we may not be able to fulfill the total number of signs requested. Signs are 12" x 18": 4-color, UV-resistant with a guaranteed 5-year outdoor life. An eligible governmental entity needs to be an applicant for the signs. Signs are intended to be placed on public collection roll-offs and trailers in drop-off environments and cannot be supplied for interior or small-scale collection containers. NMRC is happy to supply the sign designs for your own use to print for other needs.

**Deadline for Electronic Requests: December 31, 2011. Submit this application to [jessi@recyclenewmexico.com](mailto:jessi@recyclenewmexico.com)**

Delivery expected by February 15, 2012.
