

# IN CASE OF ZOMBIE ATTACK

Better know your recycling facts!

## RECYCLING SAVES ENERGY

The energy saved from recycling just 1 aluminum can could power your TV for 3 hours.

## RECYCLING CREATES JOBS

Sometimes recyclables do not earn you immediate cash value but, the long-term benefits are HUGE. For every 1 landfill job, there are 5 jobs in the recycling industry.

## RECYCLING TURNS WASTE INTO NEW PRODUCTS

#1 Plastic soda & water bottles can be spun into fiber for carpet & clothing.

#2 Plastic jugs can be melted into outdoor furniture.
