

IN CASE OF ZOMBIE ATTACK

Better know your facts!

PET PLASTIC BOTTLES (#1)

Bottles are chemically different than tubs and bags. Most programs only accept bottles. #1 bottles are clear, thin & light; soda, water & juice .

HDPE PLASTIC BOTTLES (#2)

#2 bottles are colored or frosty, thick & dark; milk jugs, shampoo, soap, detergent & spray bottles. Please use all contents and RINSE!

PAPER

Includes office paper, newspaper, magazines, junk mail, cereal boxes, phone & paperback books. Some communities choose to sort papers, so ask first.

ALUMINUM & TIN CANS

Aluminum cans include beverage and cat food cans. Tin cans include food, soup & dog food cans. Please remove food residue.

CARDBOARD

Includes flattened boxes with corrugation (wavy inner layer) & paper bags. Do not include pizza boxes, cereal cartons, Styrofoam or plastic.
