To Whom it May Concern,

I am writing to recommend Richard Marburger for the position on the New Mexico Recycling Coalition Board. He has worked as Sales and Marketing Director for USAg Recycling, Inc. for over 12 years.

Over the years he has brought his extensive plastic recycling knowledge and experience over to the agricultural container recycling program. He has demonstrated a commitment to the agricultural community through recycling programs and community outreach programs.

I have no reservations in recommending Mr. Marburger having watched him over the past 12 years and have seen firsthand what he can accomplish. I have no doubt he will be a valuable asset to the Board. If I can provide further assistance do not hesitate to contact me.

Sincerely,
