NEW MEXICO RECYCLING COALITION

Story of Plastic Virtual Screening & Panel Discussion

CEU Credit Application – New Mexico

Join the Center for Biological Diversity and the New Mexico Recycling Coalition for a free virtual screening and panel discussion of the new film “The Story of Plastic”.

Date: Tuesday, July 14, 2020 - 11:00 am MT

Location: Watch the film at your convenience anytime from July 10 - July 14 then join us on July 14th for a post-screening virtual video conversation in Zoom.

Attendees to who are **certified operators of landfills, transfer stations, recycling facilities, or composting facilities** may acquire up to **three** continuing education units (CEUs) to apply towards their recertification, per New Mexico Solid Waste Rules, 20.9.7.12 NMAC.

Credit will be given for watching the documentary (registrants will receive a link to view the documentary on their own time before the July 14th panel discussion), attend the panel discussion webinar and complete and pass a brief online test administered by the New Mexico Recycling Coalition to prove attendees paid attention to the panel discussion webinar. Participation will also be tracked by webinar log in data.

PROCEDURE: Legibly (PRINT) fill out the information below, include the certificate of completion provided by NMRC following the online test and mail in THIS FORM AND THE CERTIFICATE OF COMPLETION to NM Environment Department.

You are responsible for mailing a COPY of this completed form and the CERTIFICATE OF COMPLETION provided to you via email by the New Mexico Recycling Coalition to:
