

**Glass Recycling as a Circular
Economy**

+

**Glass Recycling as Creative
Recycling**

From Bottle...to Collection...to Processing

From Bottle...to Landscaping

- Color sort the glass recycling
- Sift the crushed glass to remove labels and separate into sand and $\frac{1}{4}$ inch particle size

From Bottle...to Terrazzo

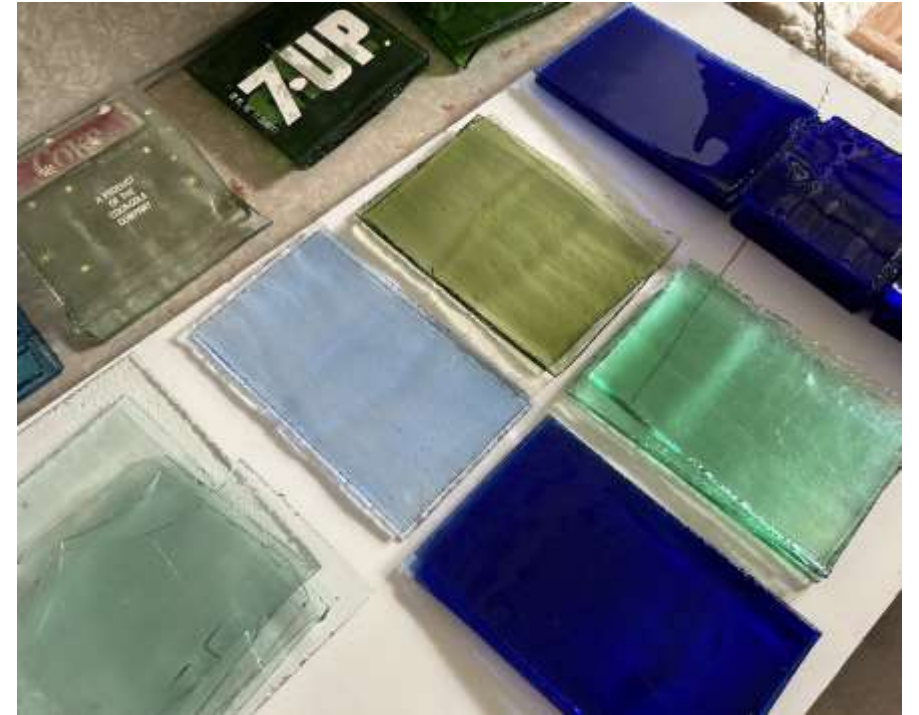

From Bottle...to Drinking Glass

From Bottle...to Stained Glass...to Education

- We recycle scrap sheet glass into stained glass classes so that locals can learn a new skill and we can recycle other artist's glass waste.
- Level 2 classes use bottle sheet glass.

From Bottle to...Glass Blowing

From Bottle...to Large Scale Installation
